

Famous Rayo Lamp

The Ideal Reading Lamp

Opticians agree that the light from a good oil lamp is easier on the eyes than any other artificial light.

The Rayo Lamp is the best oil lamp made.

It gives a strong, yet soft, white light; and it never flickers. It preserves the eyesight of the young; it helps and quickens that of the old.

You can pay \$5, \$10, or \$20 for other lamps, but you cannot get better light than the low-priced Rayo gives.

Made of solid brass, nickel-plated. Easily lighted, without removing shade or chimney. Easy to clean and rewick.

HEED THE WARNING.

Many Stanford People Have Done So.

When the kidneys are sick they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Sick kidneys expel a dark ill-smelling urine, full of "brickdust" sediment and painful in passage. Sluggish kidneys cause a dull pain in the small of the back, headaches, dizzy spells, tired languid feelings and frequent rheumatic twinges.

Doan's Kidney Pills are for the kidneys only. If you suffer from any of the above symptoms you can use no better remedy.

Stanford people recommend Doan's Kidney Pills.

John H. Wren, E. Main St., Stanford, Ky., says: "I know from experience that Doan's Kidney Pills are all that is claimed for them. Off and on for several years I had severe attacks of lame back. I often did work that required stooping and at such times the trouble became worse. There was also a too frequent desire to void the kidney secretions both day and night. Doan's Kidney Pills relieved me and have never failed to benefit me when I have taken them since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

CAUSE AND REMEDY.

Uncertainty of the immediate future is looked upon by many men of affairs, as a blockade to enterprise and business prosperity, and this blockade is now quite apparent throughout the channels of trade.

The Presidential Election; the efforts of Congress with no fixed purpose; Organized Labor as a new factor in politics; together with other matters of greater or less import, represent at this time a chaotic conflict of separate interests, to harmonize which is now the problem before the country.

All want Prosperity, Peace and Plenty. Read with care the Cincinnati Enquirer, a journal that prints all the news each day from every commercial center throughout the world. A barometer of causes and effects that points out, as a Beacon Light, the danger and the safeguard therefrom.

As well known, the Daily Enquirer is the largest in size and highest priced paper in the United States, yet cheapest, measured by quality and quantity.

The Weekly Enquirer, with the cream and digest of all the news, able and conservative editorials, market reports, methods and results from Government and State Experiment Stations, veterinary matters, People's Forum, choice literature, short and continued stories, non-sectarian sermons, general information, etc., with the exclusion of all matters of scandal and immorality, is today the Cleanest Weekly Family Journal obtainable. Each issue is alone worth the price of a year's subscription.

Solicitors for subscriptions make a handsome profit and increase the good influence of The Enquirer in the uplift of morality and industry, and for the betterment and welfare of the community. For terms write to The Enquirer, Cincinnati, Ohio.

GIRL'S HAIR IS CUT OFF WHILE ASLEEP

Revenge by Playmates Thought to Have Been Motive Prompting Deed.

Oklahoma City, Okla.—Revenge by playmates is said to have been the motive that prompted some one to reach through a window of the home of Claude Weaver, an attorney, during the night and cut off the locks of Barbara, his fifteen-year-old daughter, as she lay asleep. When the girl awoke in the morning her long braids lay on the floor near the bed.

Mr. Weaver has hired a detective to work on the case. Recently Miss

Weaver has been taunted by her playmates who resented what they termed her tendency to be "stuck up." Cynthia Powell, a girl friend, also had received a letter threatening her with dire punishment unless she continued to speak to certain boys of the neighborhood. The police suspect that one of these boys cut off Barbara's tresses.

LION CLAWS A LITTLE GIRL

An Eye Gouged Out, an Ear Torn Off and Her Face Terribly Mangled.

Syracuse, N. Y.—Clawed and bitten by a huge lion in a side show at the state fair here, Laura Burns, aged seven years, of Morrisville, N. Y., hovers between life and death. The girl was frightfully mangled when she failed to keep back of the ropes and came within reach of the monster beast.

The lion caught her with one of his massive paws and while he held her fast he clawed her with the other paw as he tried to pull the child into his cage. Attendants rushed to the child's aid, but the animal had her fast in his grip, and infuriated by the taste of blood refused to let lose until prodded with heated irons.

When finally it released the child it was found that the lion had gouged out one of her eyes, torn off an ear, and lacerated her face and the upper part of her body. The great throng and the shouts of the crowd frightened

SHOT BY PEEPING NEGROES

Circus Watchman is the Victim of Blacks Looking in Women's Dressing Room.

Louisville, Ky.—Thomas McCormick, aged 36, watchman for the Barnum & Bailey circus, was fatally shot during the performance here one night recently. Will Anty, a negro, is under arrest for the crime.

McCormick found two negroes peeping into the tent used by women performers for a dressing room. He remonstrated with them and they went away. A second time he caught the peepers and calling an assistant made ready to eject them from the enclosure. One of the negroes then drew a revolver and shot McCormick.
